

Volunteer Ranger Assistant

Volunteer Description Overview

Volunteer Ranger Assistants (VRAs) serve as a visible presence in the City of Fort Collins Natural Areas and at Larimer County Parks and Open Spaces to enhance the experiences of trail users by providing information, site monitoring, and visitor assistance. VRAs work through the Ranger programs to respond to questions and inquiries, monitor trails, parks, open spaces and natural areas for visitor safety and resource protection, assess timing and types of recreational uses, administer user surveys, and alert rangers to situations that require staff attention. VRA's may hike, bike, or ride their own horse.

Key Responsibilities

- Provide a visible presence along trails and in open spaces, parks and natural areas.
- Focus patrol efforts on most actively visited natural areas and open spaces during high use periods.
- Respond to visitor questions and issues consistent with training received.
- Record and report visitor comments, recreational trends and safety issues to ranger staff.
- Complete and submit an online patrol log following each assignment.
- Assist rangers at special events and on special patrols when needed.
- Initiate contact with natural areas visitors on issues related to multi-use conflict, safety, and City of Fort Collins Natural Areas and Larimer County Natural Resources regulations.

Impact

Assist others and protect our natural spaces through peer education. VRAs reach over 10,000 visitors a year, greatly enhancing the number of contacts paid staff can make alone.

Training

- Approximately 15 hours of training which includes an orientation to the City of Fort Collins Natural Areas and Larimer County Natural Resources, personal

outdoor safety, resource protection, conflict management, and emergency assistance.

- Opportunity to attend continuing education sessions

Application

Will be posted early December 2022.

Competitive Application Process:

Typically, there are more applications than there are spaces in the training class. The rangers from both agencies rely on VRAs to be their representatives on the trail. As such only the most qualified candidates will be accepted. Thoroughness in completing the application is a must. Experience in the outdoors, experience with interpersonal customer service and the ability to hike or bike a minimum of two miles should be recorded on the application. Experience dealing with medical issues and emergencies is a plus.
