

User Guidelines for Shelter Reservations

The following information is provided to assist you in enjoying the park and shelter that has been reserved. By reserving and using the shelter and park facilities, you are agreeing to follow applicable parks rules & regulations and shelter guidelines.

For assistance after-hours or on weekends, please call the On-Call at 970-219-3450. For an emergency call 911.

1. Bring your **reservation confirmation paperwork** with you to the shelter on the day of your event so you will have documentation in case of conflicts. Only one group is scheduled per day per shelter. Each shelter is available for drop-in use outside the specific hours it is reserved.
2. **Parking or driving on turf (grassy) areas and sidewalks is STRICTLY PROHIBITED.** You are **NOT allowed** to drive up to any of the shelters for loading, unloading, or parking. Any violations may result in police ticketing. If you need to load or unload meal items or equipment, contact the parks office (970-221-6660) to receive proper instructions.
3. **Alcohol, glass, and tobacco products are not allowed in the Parks.**
4. **Food:**
 - **Electrical Outlets Available** - Please use caution when using the outlets in the shelters. Overloading the outlets with coffee makers, crock pots, etc., will trip the circuit breakers.
 - **Grills** - The shelters have grills available for use. If you bring your own charcoal or propane grill, please set it on a tarp/cardboard to catch any grease spills and set it on a hard surface (not the grass). If using charcoal, you must take the used coals with you; **DO NOT** discard in the park's trash can.
5. **Decorations:**
 - You may decorate with balloons, streamers, tablecloths, etc. but you are responsible for cleaning up these items at the end of your event and properly discarding in the trash cans before you leave the shelter.
 - Confetti is discouraged. If any type of confetti is used, it is your responsibility to sweep up the confetti pieces and discard them in the trash cans.
 - Marking of any type (chalk, paint, etc.) on turf or hardscape in the Parks or on adjoining City property such as trails, streets or sidewalks is not allowed.
 - Personal lawn chairs and yard games can be set up in the surrounding grassy area near the shelter. **Please Know:** staking into the ground 6" or deeper requires you call for a Line Locate. You must contact Utility Locates (UNCC at 811 or 1-800-922-1987) two weeks before the event to arrange the locates.
 - Music played via an electronic device and/or radio is allowed as long as the sound is not amplified to a level that disturbs other park users.
6. **Water Spigots:** *A water key, provided by Parks, is needed to use the spigots; arrangements to get the key must be made at least 2 business days prior to the event to use the spigot.*
